

## REMARKS

Claims 1 - 22, 39 and 40 are pending the application; Claims 22 and 39 stand rejected. By this Amendment, Claims 10 - 14, 16 - 17, 22 and 39 have been amended. Applicant gratefully acknowledges the allowance of Claims 1-21 and 40. Claims 10-14 and 16-17 have been amended to correct typographical errors and add clarity. Applicant submits that no new matter has been added by these amendments.

Applicant gratefully acknowledges the Examiner Interview of March 21, 2007 and interview summary dated March 27, 2007. Applicant is in agreement with the Examiner's comments and amends the application accordingly.

The Examiner has rejected Claim 22 alleging it is vague and indefinite for the use of the phrase "or the like". Claims 22 and 13 have been amended to remove this phrase.

The Examiner has rejected Claim 39 as grammatically incorrect. The claim has been amended to correct this error.

Applicant again submits that no new matter has been added by these amendments.

The Examiner has provisionally rejected the pending claims alleging nonstatutory obviousness double patenting. Applicant submits that a terminal disclaimer will be timely filed.

Applicant believes that it has responded fully to all of the concerns expressed by the Examiner in the Office Action, and respectfully requests that early favorable action be taken on the remaining two claims pending in the application. If the Examiner has any further concerns, Applicant requests a call to Patrick Dwyer at (425) 823-0400.

Respectfully submitted,

PATRICK MICHAEL DWYER
